

# Safeway Has The Reputation For Superb Meats!

and a Good Reputation Must Be Earned!

Safeway meat buyers are hard to please when it comes to quality. They believe that only the very best is good enough for Safeway customers. These fine meats are tenderly handled every step of the way to the stores to be sure none of this quality is lost. All Safeway meats—beef, lamb, pork, cured meats, poultry and fish must be top quality. But Safeway's pride and joy is fine beef.

Safeway has a quarter of a century of experience in aging fine beef. Safeway knows how to age beef! Then to quality, correct handling and scientific aging. Safeway Meat Department employs carefully trim off all excess bone and fat that does not belong on the cut. Yes, Safeway's good meat reputation is earned — earned by many years of selling only the best.
